

## **NEWS LETTER VOL- 8**

Dear Parents,

We have reached the end of the Academic Year 2018-19. The Students have commenced their Final Examinations and we hope that they will perform well and move into the next class.

1. Revision has been done in all the classes in all the subjects. Remedial work for all the D and E graders has been done from classes I-V.  
All students book, diaries have been checked by our in-charges for correction, syllabus, time-table and completion of notes. If there are any further problems the parents must meet the concerned subject teacher before exam.
2. Report cards for class IX students who are going into Class X will be handed over to parents on 4<sup>th</sup> March from 9.00am to 10.00am and this decision is taken as we need to start Class X syllabus as soon as possible. Parents of current Class IX students kindly pay the fee dues by 2<sup>nd</sup> of March.  
The remaining students of the school NUR-VIII can see the report cards on 20<sup>th</sup> March which is the final date given for the payment of fees.
3. The new Academic Year begins from 4<sup>th</sup> March 2019. Any books, syllabus which is not completed will be done after the school exams are over.  
We are planning an Annual Day in April and the outgoing Class X Student's Farewell, for which the school will function regularly till we hear from the State Education Department regarding the date of summer holidays.
4. Sale of books will also happen in the month of March depending upon the availability of the books from the publishers.  
CBSE has made it mandatory that all student material be preserved till September 2019 of the next Academic session.  
All parents must make sure that students do not throw any text books away and notebooks as they can be given to poor deserving students of the school.
5. The School has now moved up a step further towards automation. We have been working with Edthesis, a software company to develop our School's Information System Software. Parents will receive their child's homework, Attendance information, Fee payment history and more notifications regarding the class work from the teacher over this new application.  
All parents are requested to download the Edthesis Mobile Application from the Play Store in your smart phones. The User Id and password for every parent will be communicated soon. You can get in touch with your child's Class teacher for the User ID and password.
6. We have been stressing on spoken English language and to help students converse in English we have taken the support of Dr. Lubna who is coming weekly to help the weak students of classes I-V to read and speak in English.

7. Career counselling is the current, important requirement by the CBSE. This counselling guides students towards the right career path. Students can now pick from new domains as career options rather than common ones of Engineering and Medicine. We will be starting the career guidance for our students from the New Academic Year.

CBSE is providing pre-examination counselling services to Class X students and parents which is available till 04<sup>th</sup> April,2019 through multiple modes like, IVRS on toll free number – 1800 11 8004, Web counselling at [www.cbse.nic.in](http://www.cbse.nic.in)>Counselling tab, Q & A columns in Leading Newspapers of India, Online Counselling through E-Mail available at [counselling.cebse@gmail.com](mailto:counselling.cebse@gmail.com)

Parents are requested to utilize these services for their children.

8. We have finalized the Fee Structure for the Academic Year 2019-20. As of the new Academic Year 2019-20, the payment of fees is to be done **only in two installments.**  
**The first installment to be paid by June2019 – Last date is 10Aug2019.**  
**The second installment to be paid by Dec2019 – Last date is 10Feb2020**
